## ➤ COMANCHE MILESTONES:

- Site selection decision for Maintainer Training currently scheduled Jan 04
- Build MOSs for Comanche Maintainers May 03
- Produce complete enlisted training package using Interactive Multimedia
- Virtual Troubleshooting Trainer and Part Task Trainers (Working)
- Enlisted Maintainer Training begins Jan 07

## ➤ COMANCHE BRIEFINGS CONDUCTED:

- Briefed Deputy Secretary of Defense on 15 Nov 02
- Briefed Vice Chief of Staff of Army on 18 Nov 02

## ➤ CURRENT SUPPORT FOR PROGRAM:

- Branch currently provides 11 soldiers to support development of Comanche
- Recognizes 36 month stabilization requirement

## ➤ SOLDIER ISSUES THAT IMPACT REQUIRED SUPPORT:

- Ensure overlap of soldiers to provide continuity to program
- Re-look stabilization (48 months vs. 36) to provide the necessary overlap and train up
